

Rotarian of the Year

Activities for this Rotarian member over past year include assisting with cleft lips and palate repair operations or with general surgery, travelling to such places as:

- Egypt in July and China in September last year
- West Timor in January, Bangladesh in February this year

This member's ROMAC activities have included organising the surgical treatment for 2 West Timorese at the John Hunter Hospital.

On the RAWCS committee - Co Chair for ROMAC in District 9670

This member has been a guest speaker at 12 Clubs in the past year, raising awareness and generating funds for ROMAC.

This member has sourced medical equipment and hospital linen and packed and shipped 2 containers to PNG.

Organised transport for 2 anaesthetic machines from Concord hospital Sydney to East Timor.

On committee and planning program for Salamanders Bay rotary club's "Save the Kula Babies" project.

Sourced Ultrasound machines for 3 local doctors to use in Vietnam, West Timor and Camerouns. Sourced Foetal monitoring for PNG.

And involved in fund raising for OSSAA (Overseas Specialist Surgical Association of Australia)

This member is unfortunately not with us this evening as hopefully she flew out this morning to China to participate in 'Alliance for Smiles'.

The RCNS Rotarian of the Year 2010-2011 is Lyn Thorpe.
